PROFILE

I am currently a SENA apprentice, studying a technologist in Software Analysis and Development. I am passionate about technology and I stand out perfectly in it, handling a bit of programming languages such as HTML, CSS, JavaScript; I also manage a tourism training project that is a mobile app, among which, I have a little knowledge in the use of office tools.

EXPERIENCE

2023
SENA
Knowledge of office tools such as Word, Excel, Databases, Power Point, using them in the development of my knowledge during my academic studies.
